The Fiog

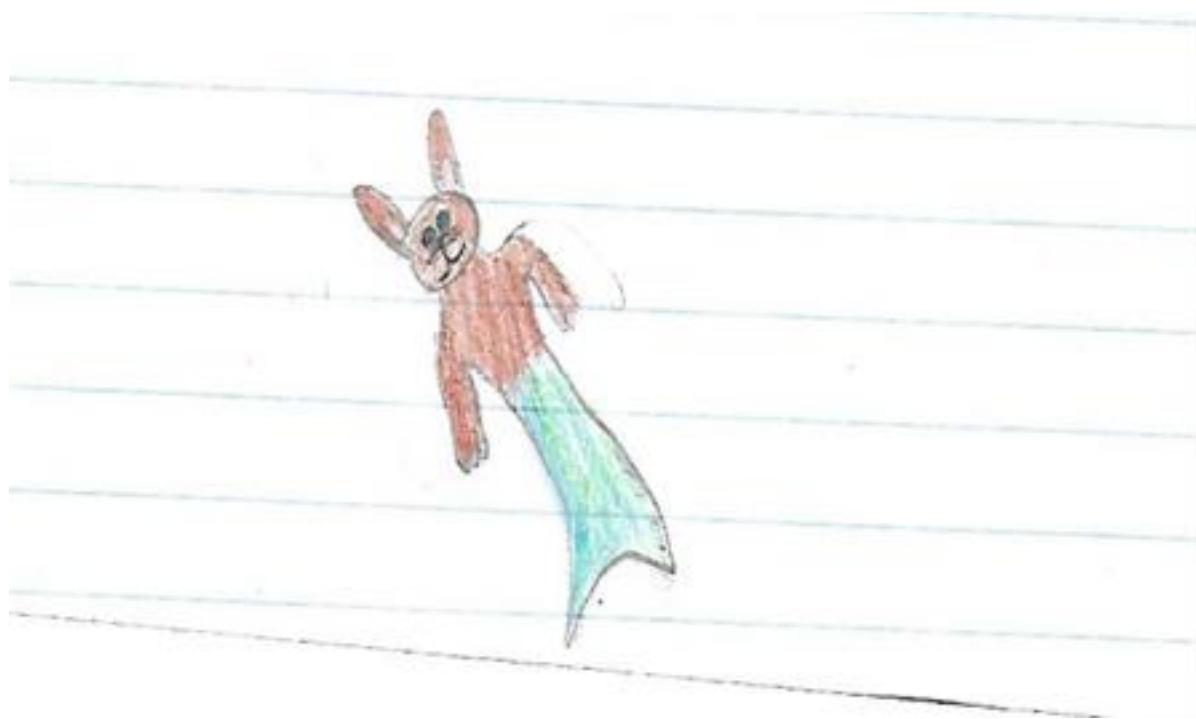

written by Sophia Neureiter

The Fiog was very poisonous. It could kill a person with one bite. The Fiog was the pet of centaurs. The Fiog had dog legs and a fish head. It lived underwater but could also live on land. It was 3 meters long. The Fiog ate fish and flesh. The Fiog had sharp teeth.

Sharkbit

by Hannah Prommegger

The sharkbit was a mixture of rabbit, dog and shark. It lived in the sea around Atlantis. It was as big as a shark and it was very nice. The Atlantiaus loved the sharkbit.

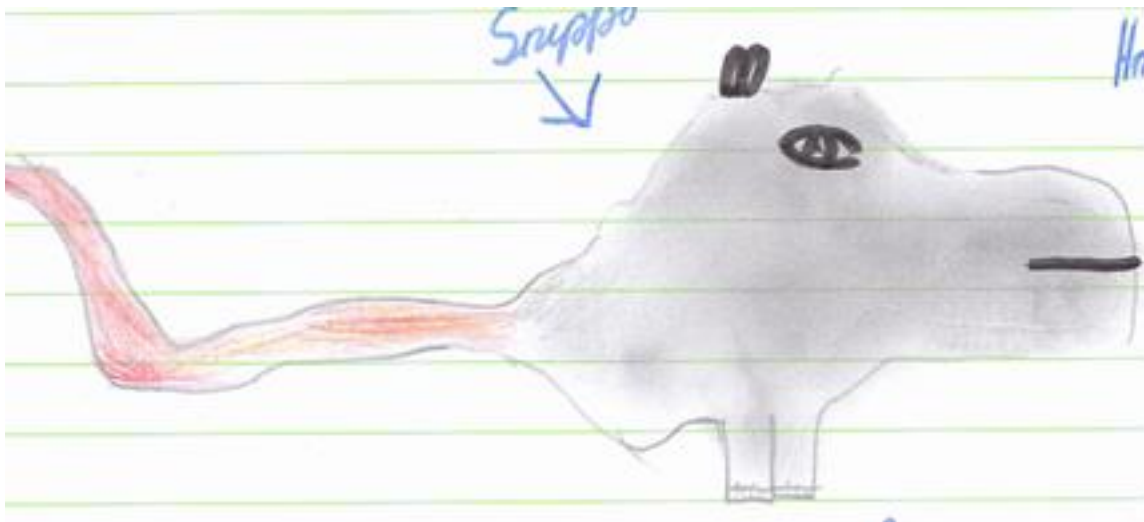

The sharkbit ate fish and algae. It didn't come out of the sea because it hadn't got feet. Once in the month the sharkbit made a show for the Atlantiaus.

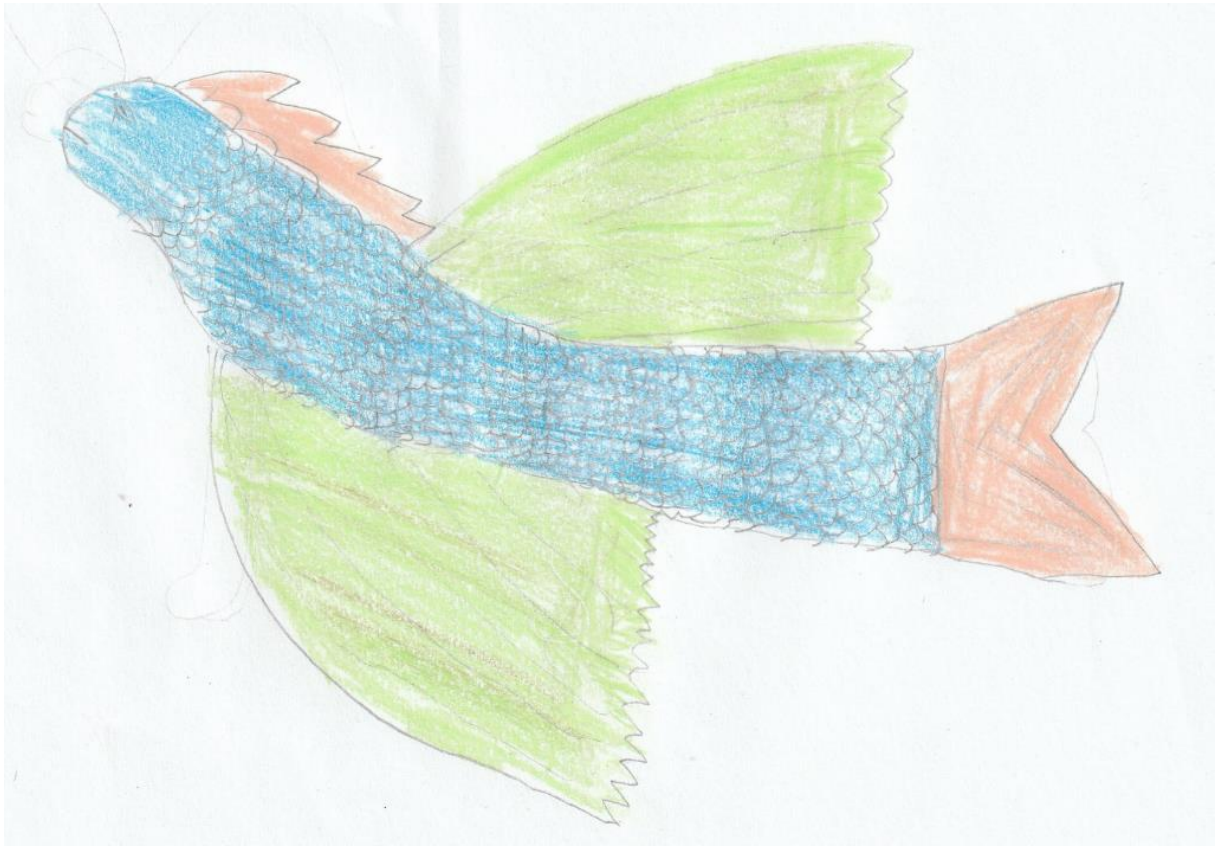

The Snippo

by Martin Reiter

The Snippo was kind of snake and a hippo. It lived in the sea around Atlantis. It was as big as an elephant and it was very poisonous. It had a really small mouth but in the mouth were two big teeth.

Every year it killed with its poison more than 100 Atlantians were very scared of swimming in the sea.

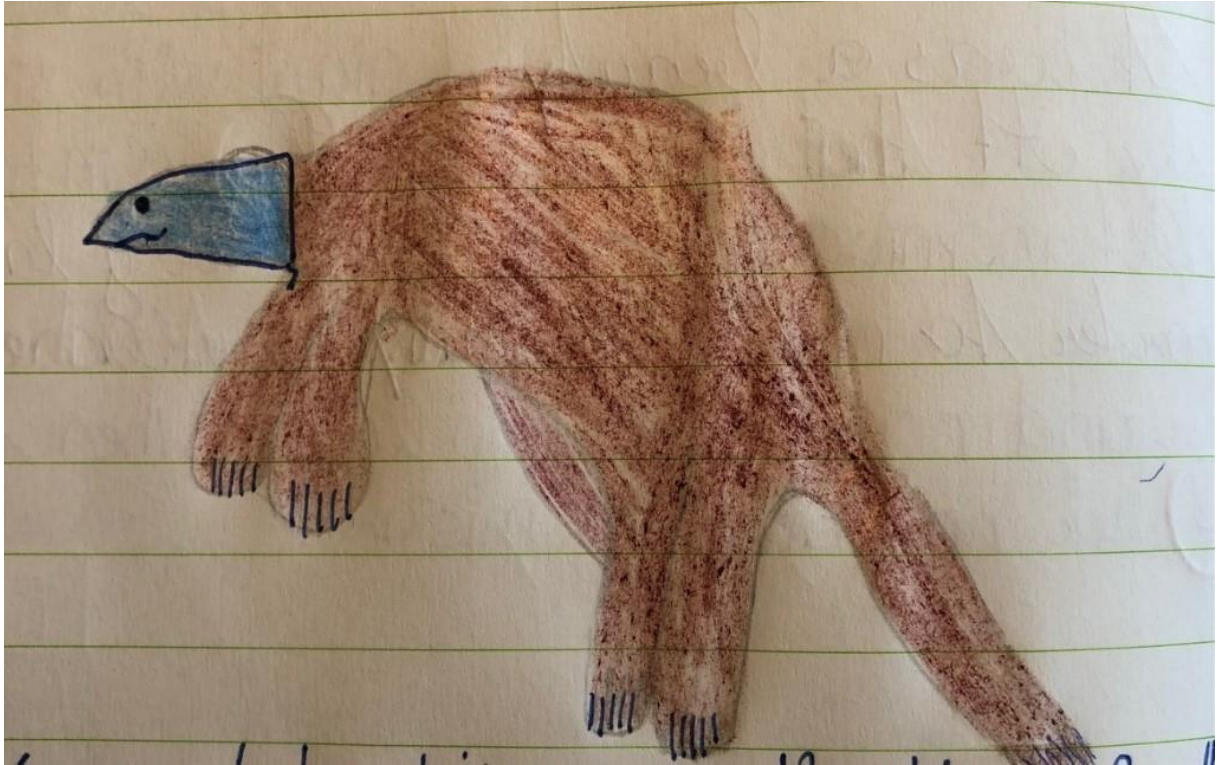

Waterdragon

The Waterdragon was the king of all animals in Atlantis. It was very big and it ate 20 sharks on one day. It was very dangerous it killed you with one hit and then it made you to a shark and ate you. It had no ears because it heard with its eyes.

Maria Aichhorn

THE KÄNGFIS

Written by „Marie Deubler“

Today I want to introduce you „the Kängfis.“
The Kängfis was a mix of a känguru and a fish. It wasn't dangerous and it was as big as a känguru. Only the head was really small. The body was brown and the head was blue. For the people of Antlantis, it was very special when they could see a Kängfis because the Kängfis was very rare. Today the Kängfis is not living anymore.

Schoffel Ghwehk!

Written by Emily Edlinger

The Schoffel Ghwehk was very rare and shy. It was as big as a lion, but it wasn't dangerous. On land it was as fast as cheetah, but it could also fly. Its wings were very strong and large. It had the ears of a bat and a tongue like a snake. It lived in the mountains of Atlantis. It was as clever as a dolphin, so only one Atlantian ever had seen one. For a long time, it was only a legend.

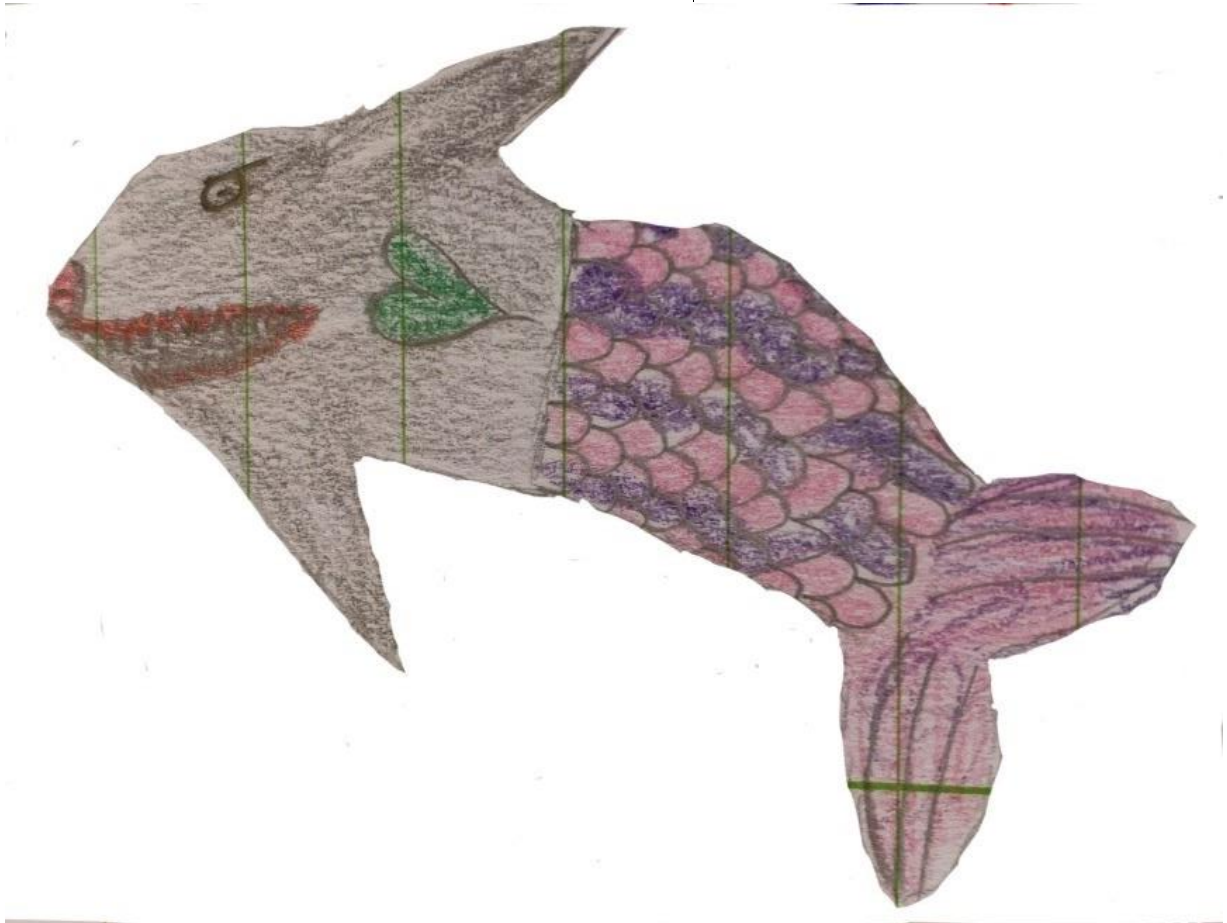

The kind of shark and mermaid

Olivia Egger

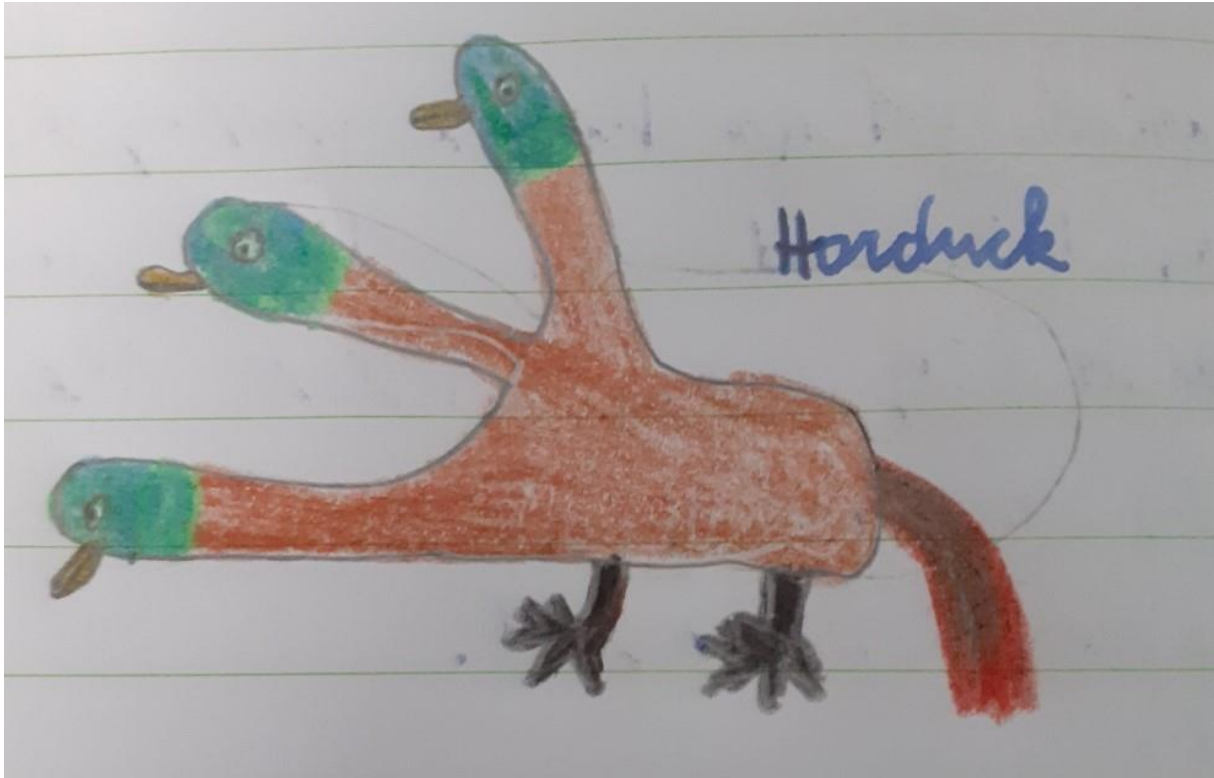

The Griffida ist the kind of shark and mermaid. It lived in a house in

Atlantis. It was as big as a starfish and it was very polite. It hade a fin from his mother and the head from his father. It hated the Huffump because it killed lots of his friends.

The Horduck

written by Sayuri Gumpold

The Horduck was a big animal, half duck, half, horse. It lived on the land and not in the lake, because it couldn't swim. The Horduck was a really friendly and had many friends. The Horduck had three heads, they looked like a duck. His body looked like a horse. The Horduck had really big feet and a very big tail. There aren't many Horducks left in Europe.

The Megarion

written by Luca

The Megarion was an Atlantic monster shark.

The Atlanteans didn't like this big fish.

It lived between two thousand and five thousand years.

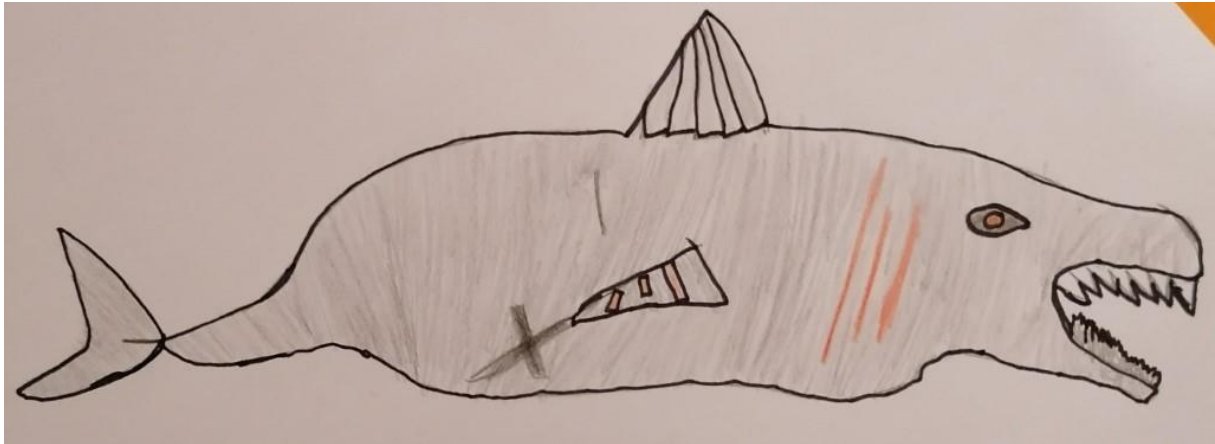

The shark loved to eat Ruckles, Hipcops, Snapkle and Bugboys.

The Megarion was very strong and dangerous.

In one year it usually killed between thirty and forty thousand Atlanteans.

The nickname was Meg.

Here you have a picture:

The Mumpfy

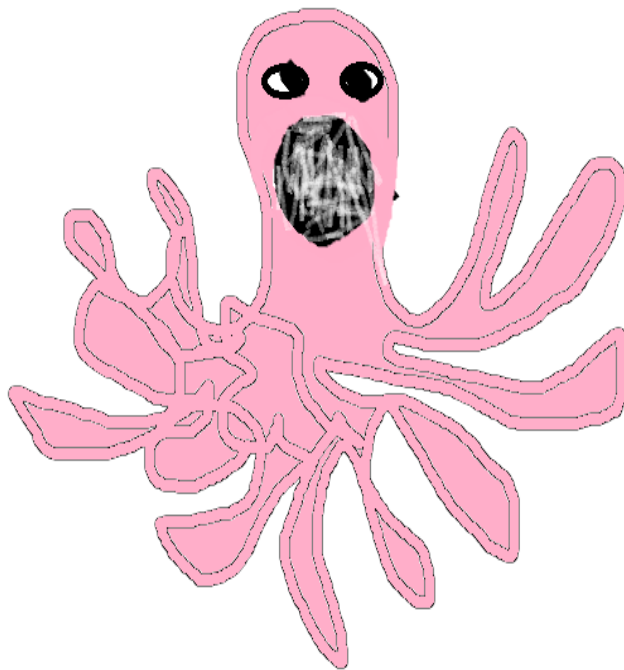

written by Katharina Herzog

The Mumpfy was a kind of octopus.

It lived in the sea around Australia.

The animal was very big and its colour was pink.

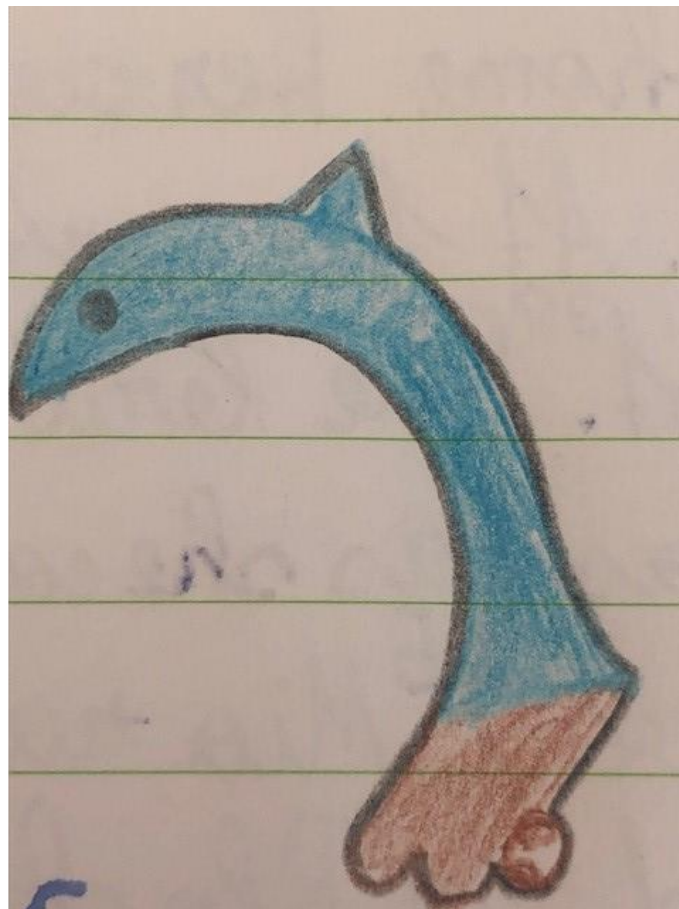

It had 50 arms and more than hundred teeth. Its teeth were black and its favourite food was small kids.

THE DOLPHIT

WRITTEN BY: LISA-MARIE HETTEGGER

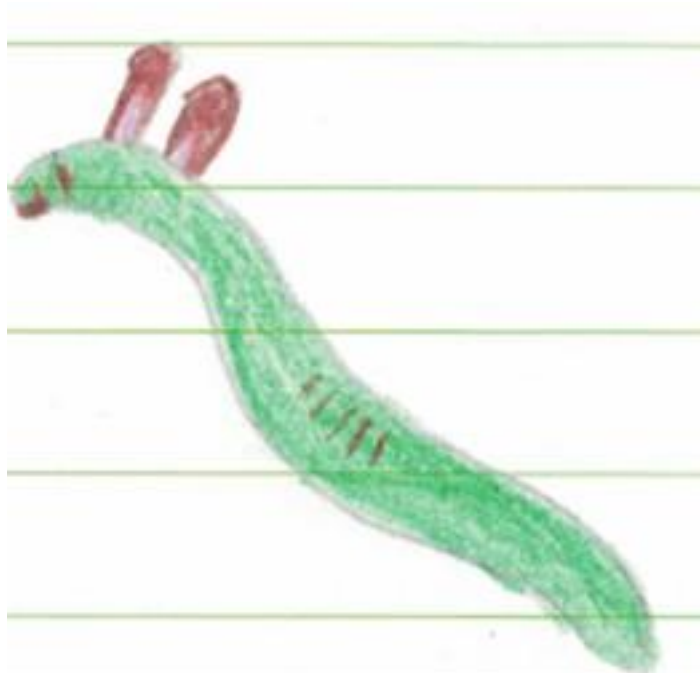

THE DOLPHIT WAS A VERY EXOTIC ANIMAL. IT LIVED IN THE SEA AROUND ATLANTIS. IT WASN'T VERY DANGEROUS. ITS SIZE WAS THE ONE OF A DOLPHIN. IT WAS A DOLPHIN AND A RABBIT TOGETHER. THE PEOPLE WEREN'T SCARED OF HIM. IT CAME TO THE PEOPLE AND LET THEM FEED HIM. UNFORTUNATELY, THERE WERE ONLY A FEW OF THIS KIND.

The Snakebit

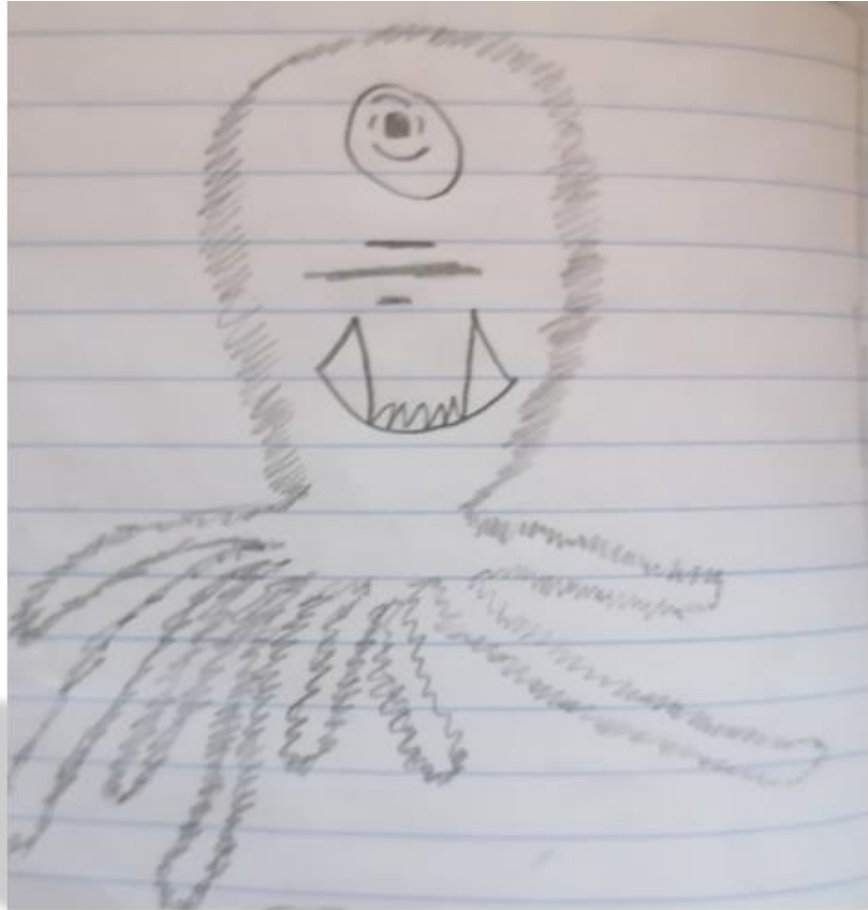

written by Carina Höller

The Snakebit was as big as a snake. It looks like a snake with rabbit ears. The Snakebit was more dangerous than a blue ringed octopus. It lived under the stones near the lake. The Snakebit killed frogs and mice and ate them. The people were very scared of this animal. It could kill you with one bite.

!!! THE OCTOGHOST!!!

by Thomas Kronberger

The Octoghost was an invisible octopus. He had two big teeth in his mouth. It lived in a dark cave near the door of Atlantis. Every man and every woman had to pass by the cave. And most of the time the Octoghost stretched out his tentacles and shocked the people with electric shocks. The Atlantians were very scared of this, and didn't leave Atlantis often.

THE GIRAFFOPIG

by Diana Leyerer

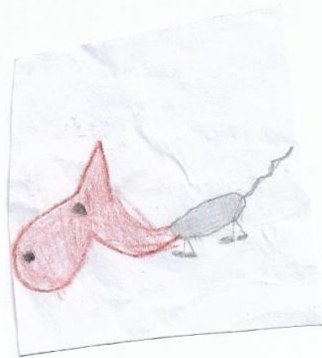

The Giraffopig is an animal from Atlantis. A giraffe and a pig were crossed. The Giraffopig has special abilities, such as flying and diving. It is a friendly animal, but it can also get angry. If there is no food, it can get angry. It mostly eats leaves and vegetables.

The Hupfnpfn

written by Nina Lottermoser

The Hupfnpfn was bigger than a mouse but smaller than a guinea pig. It was very friendly. Many people in Atlantis had this animal in their homes. Its head was big, brown with black eyes and the rest from the pet was grey. It had very tiny feathers with a small tail.

The Raiblyar

written by Jasmin Moser

The Raiblyar was a wonderful animal. It was very exotic, and the Raiblyar lived in the Atlantis.

The Raiblyar was the Lord of the earth. It was smaller than a dog, but it was bigger than a rabbit. The Raiblyar was not dangerous.

The Raiblyar was a lovely animal, and it was a magic animal. The Raiblyar was a nice animal, and the Raiblyar wanted good things for the earth.

The Octopig

written by Marius Rumpeltes

This is the Octopig. The Octopig was a big water animal. It was bigger than an elephant and the Octopig was very dangerous. The Octopig was not poisonous. It was as tall

as a whale. It had got a pignose. The Octopig had ten feet and two ears. It was the fattest animal of the world.

The Wise -Seer

by Magdalena Schwaiger 2c

The Wise-Seer was a crossroad from a fox and a buzzard.

It could see better than an eagle. It was very dangerous, for chicken, mice, lambs and rabbits, because it eats these animals.

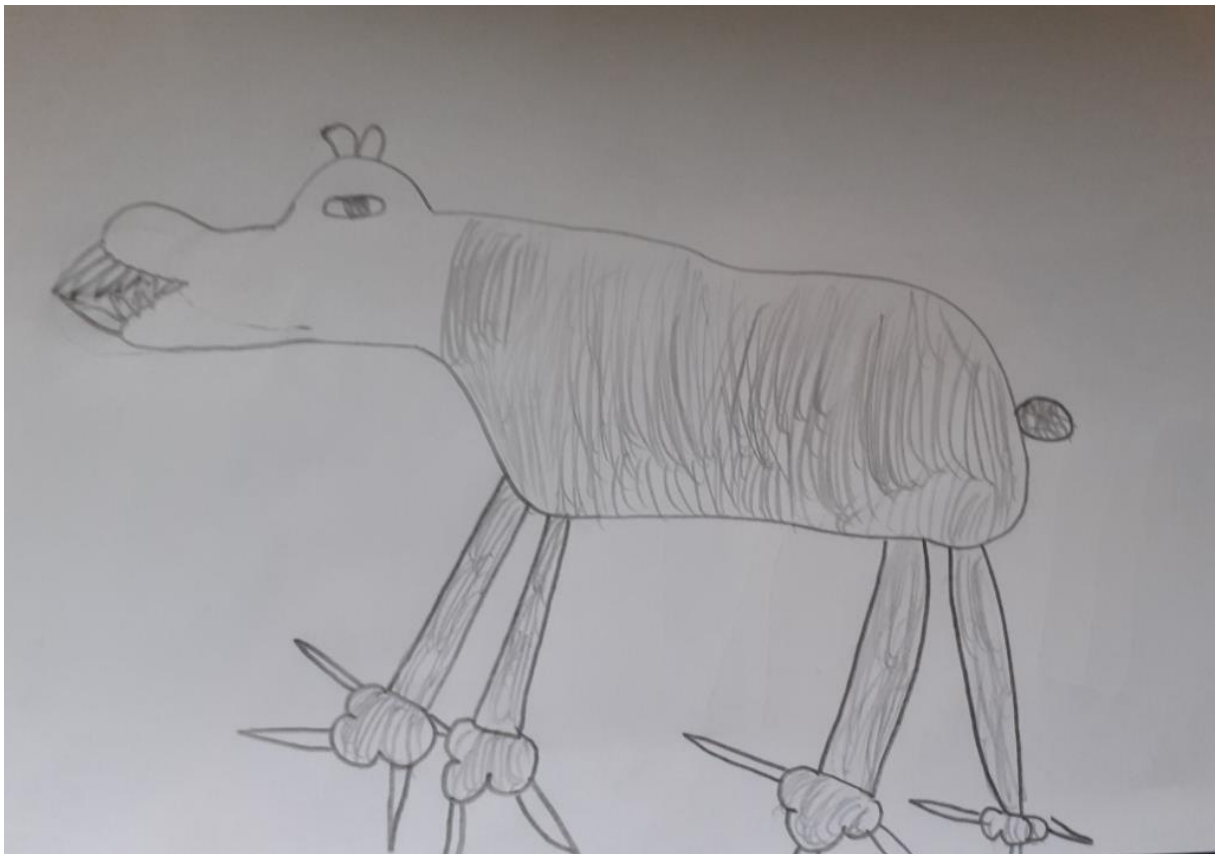

The Wise-Seer was a popular pet. It was often used to hunt or used for espionage purposes.

Unfortunately, like all other life in this island these animals also disappeared, when the City sank.

The Hipbear

The Hipbear living in the jungle. The head was from hippo and the body was from a brown bear. It was as big as a rhino and as dangerous as one anaconda. From was meat the Hipbear the favourite food. He was the most dangerous animal in the jungle ever. Whit its large clows it killed the prey.

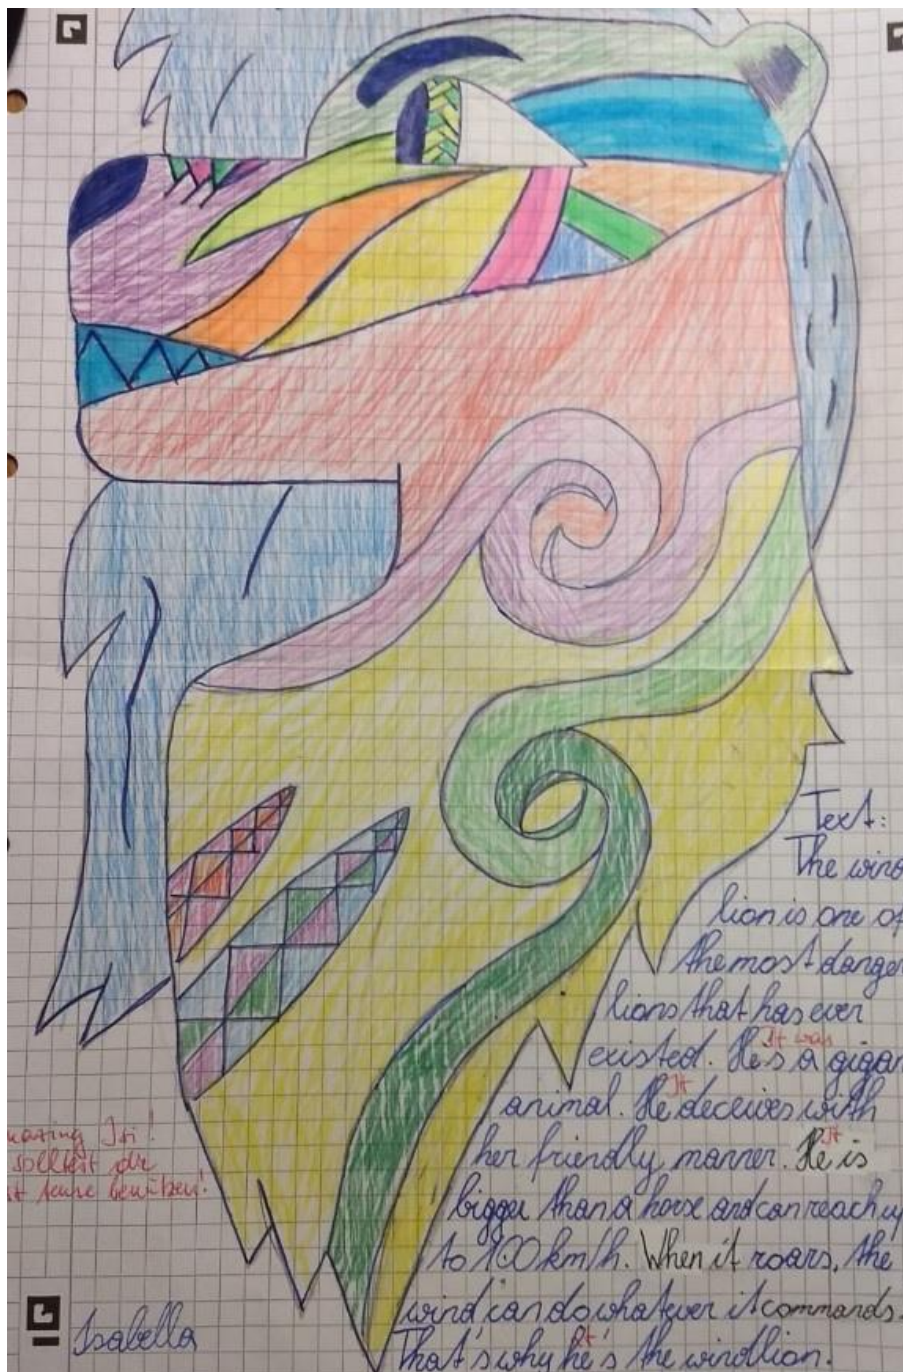

by Christoph Valtiner

THE WINDLION

Written by: Isabella Viehhauser

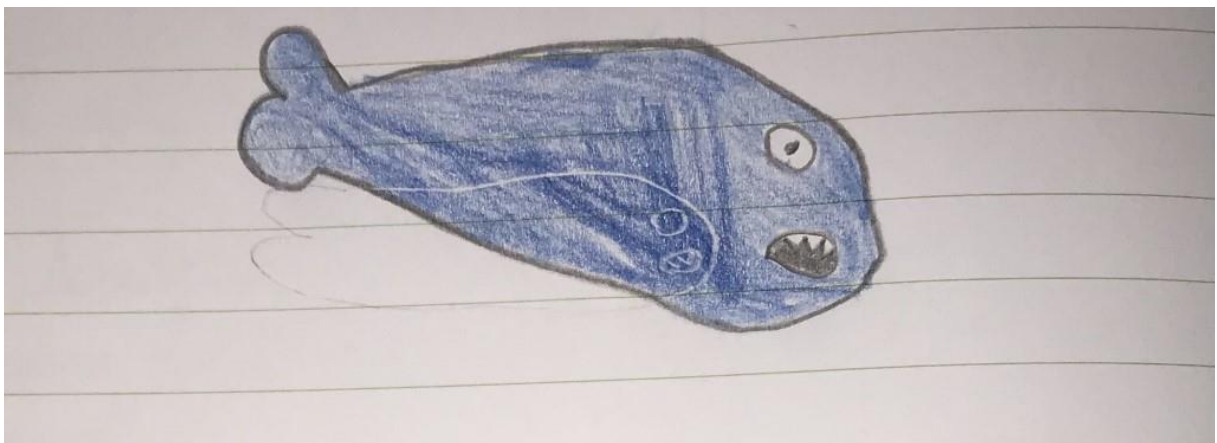

The windlion is one of the most dangerous lions that has ever existed. It was a gigantic animal. It deceives with its friendly manner. It is bigger than a horse and can reach up to 100 km/h. When it roars, the wind can do what ever it commands. That's why it's the windlion.

The Dolphin Shark

Written by Mia Wallner

The dolphin shark was a kind of a dolphin and a shark. It lived in the deep blue sea. It wasn't big but it was very dangerous. The dolphin shark was 3 meters long. All the fish in the sea were afraid of him. It killed about 130 people in the sea every year.

The snowphant

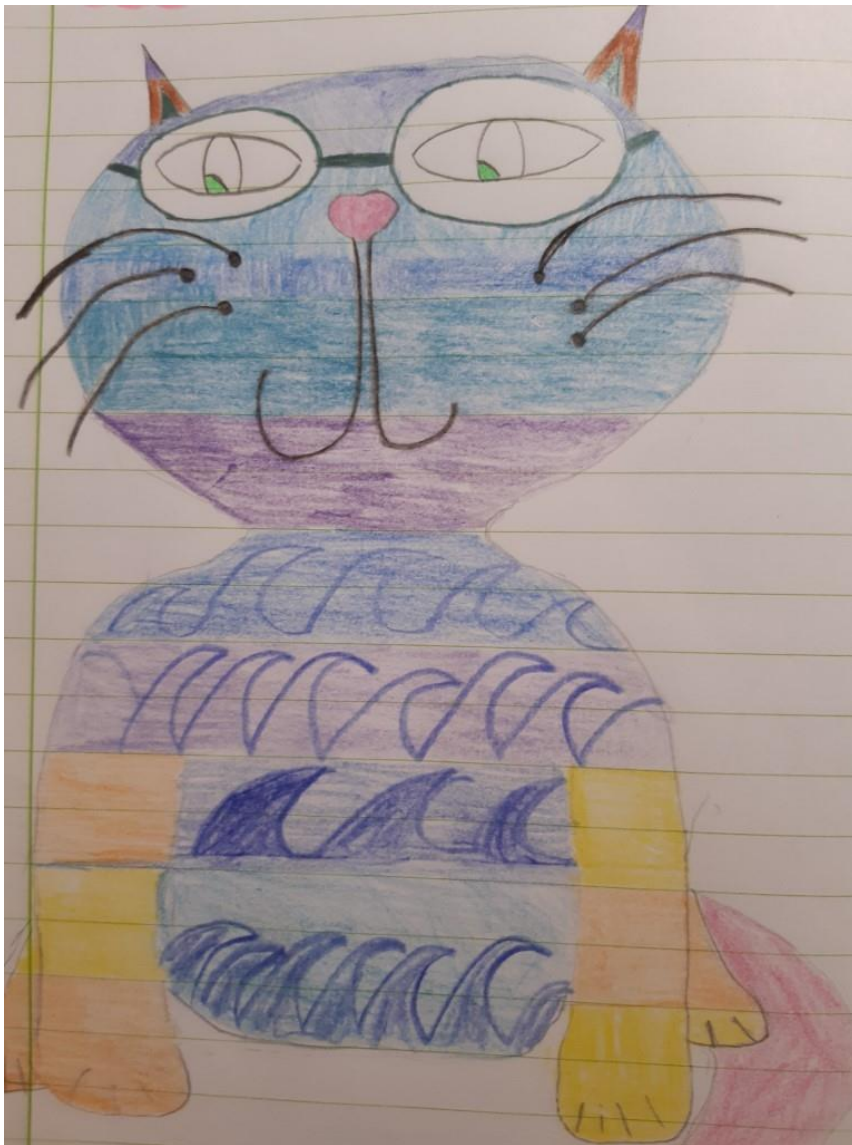

written by Elisabeth Warter

The snowphant was a big and fat creature. It was a mixture of an elephant and snowman. The body was like a snowman but the behaviour was like an elephant. It was bigger than a snowman and smaller than an elephant. Its belly was the biggest of all elephants and snowmens. It had the biggest house of Atlantis. It was yellow because it was its favourite colour. Many people were frightened of its size but it was very polite. The snowphants were firefighters every day and rescued the country.

The Sight-Cat

The Sight-Cat was very clever. It was sitting next to the entrance to Atlantis. It was bigger than a tiger. Everyone called her Inspector, because of her big glasses. Her dangerous assistant was the Huffump. They were a good Team. They took care of the safety of Atlantis. The Sight-Cat was a famous animal in the town. Even the Huffump loved her.

written by Marlena Zenz

The Fishan

by Hanes Wappel

The Fishan was a sea-monster of Atlantis. All people were scared, when they saw the monster. It was 10 metres long and killed everyone. It lived in a hole on the sea ground. One of the Atlantians had killed the sea monster but then it was only more dangerous it killed the Atlantian man and left the ocean.
